

## Creative Web Designer

Codeweavers Ltd is a forward thinking, agile software development company located in Stoke-on-Trent. We require a confident, imaginative and enthusiastic UK based web designer to take control of our user experience and design tasks. The right candidate will have a unique opportunity to thrive in an environment that offers creative freedom and nurtures new ideas.

You'll need to be creative and artistic, with a passion for good design. You must be able to work under pressure whilst delivering the high standards the company's customers have come to expect. Our customers are largely in the automotive finance and insurance sectors including household names such as BMW, Jaguar, Land Rover and Brit Insurance.

To be considered for this position, you should have the following:

- self-motivation, enthusiasm and drive to create work of the highest standard
- a talent for attention to detail and new ideas
- experience of using Photoshop, InDesign, Illustrator and Flash
- understanding and knowledge of lightweight, semantic CSS and XHTML
- an excellent portfolio of work

The day to day role consists of working on projects with a wide ranging audience, where user experience, usability and good design reign supreme. You will have the opportunity to take control of the presentation of our finance and insurance applications to enhance our customers' impression of the products. You will work closely with the development team and have opportunity to expand the branding and marketing of the company by working with our sales and business development team.

Experience in print design and production would be advantageous, as would exposure to server side programming languages such as ASP.NET, PHP or JSP.

This is a permanent, full-time position with an attractive salary (approx. £20,000 to £25,000 per annum) based on skills and experience. 21 days holiday pro rata plus Bank Holidays.

Applicants should apply to [roland.schaack@codeweavers.net](mailto:roland.schaack@codeweavers.net) with a current CV and links to your portfolio of work. Please feel free to email Roland with any questions about the role.

**Strictly no agencies, and we are not looking for teleworkers due to the nature of the way the team works.**
